

NYS SCI Research Symposium

The Rockefeller University
October 16-17, 2018

POSTER SESSIONS

There will be two poster sessions to better accommodate the number of poster presenters.

- ❖ **Poster Session 1: Odd numbered posters** should be displayed throughout the day on Tuesday, October 16, presented from 5:30pm-7:30pm, and taken down immediately following the light reception.
- ❖ **Poster Session 2: Even numbered posters** should be displayed throughout the day on Wednesday, October 17, presented from 8:00am-9:15am, and taken down prior to adjournment.

These sessions will take place in the lobby outside of the Carson Family Auditorium. Presenters can set up their poster as early as 8am on the day of their scheduled session. Presenters should be stationed at their poster to discuss their content with attendees during the assigned session.

Poster requirements:

- Print your poster to a **36" tall x 60" wide size and horizontal orientation**. The Poster Board dimensions are 41" tall and 60" wide and are double sided. This is the actual measurement of the cork board within the wood frame. Another presenter will be using the other side of the board, so it is very important to follow the poster size requirement to ensure that your poster will fit in the space provided.
- Adhesive materials will be provided; however, it is the presenters responsibility to display the poster.
- A business card holder can be attached to the poster; no tables will be provided.
- The top of each poster should include: Research Title, Authors, and Institutions.

Registration requirements:

- **Presenters must register** for the Symposium to guarantee their space at the poster session. Please register at EventBrite using this link:
<https://nyssciresearchsymposium.eventbrite.com/>

If you have any questions about these requests, please contact us at 518-474-7002 or scirbmtg@health.ny.gov.
